

Dept. of A.I.H.C. & Archaeology

To, The Principal, _____

Ref.: 701/MUS/ 453
Date-25.07.2018

Subject: 25th One Day Workshop in Archaeology and History

Dear Sir/Madam,

You are probably aware that the Department of Archaeology of this Institute is a National Center for Archaeological Research in the country. Every year the Archaeology Museum and the Maratha History Museum of our Institute are visited by a large number of interested laymen, school and college students and researchers. We also conduct periodically archaeological exhibitions in and outside Pune to spread the cultural knowledge.

Till now the Department of Archaeology had organized 24 such workshops for school teachers who are teaching subjects like History, Science, Social Studies and Fine-Arts etc. The **25th workshop** will be organized on **Friday, 10th August 2018** by the Archaeology and Maratha History Museums jointly of the Institute. The speciality of 25th workshop is it will be beneficial to teachers who can pass on the acquired knowledge to the students. Secondly, this workshop will be of great benefit to teachers and all college students. Since some aspects of archaeology have been made a part of the School and College curriculum in Standard III, VI, IX, XII and Under-graduate students. We feel that participants of the workshop will have a better understanding and knowledge of the subject if they have the opportunity of listening to a few short lectures by our staff. They will also be benefited from seeing various kinds of actual archaeological objects displayed in our Museums. Similarly visits to our Scientific Laboratories will allow them to appreciate how natural sciences like Physics, Chemistry, Botany, Zoology, Geology, Anthropology and Palaeontology help archaeology. We feel that with this background the participants of the workshop will be in a better position to handle school lessons concerning archaeology and history.

A nominal **Registration fees for Teachers and Others Rs. 300/-** will be collected from each participant. You are therefore requested to nominate History, Science and Art teachers from your school and college to take part in this workshop. The participants will make their own arrangements for travel to Deccan College. However, our **Institute will provide essential stationary and simple hospitality like teas and working lunch.**

We look forward to receiving the nomination of teacher-participant from your organization on or before **Tuesday, 7th August 2018. Please Contact:** Dr. B.S.Gajul-.09923794259, G.D. Mandke-09623116267, Nilam Dhapare- 09405008369 **Museum Office No.** 020- 26513286/26513226 for further details. Email: museum@dcpune.ac.in or Website: www.dcpune.ac.in

With best regards.

Yours Sincerely,

Head
Deptt. of Archaeology
DECCAN COLLEGE
Postgraduate & Research Institute
(Deemed to be a University)
Pune-411 006.

Prof. Sushama Deo
Head, Department of AIHC & Archaeology
